INTRODUZIONE

Il libro *Dalla A alla Z* presenta le lettere dell'alfabeto nello stampato maiuscolo e minuscolo. A fianco a ciascuna lettera, appare un'illustrazione accompagnata da una breve frase, contenente un numero di parole in cui la lettera specifica ricorre all'inizio e spesso anche nel mezzo o alla fine.

La *h* che in italiano, eccetto in alcune forme del verbo avere e in parole raramente usate e spesso di origine straniera, non si trova all'inizio della parola, è stata presentata nei gruppi *ch* e *gh*. Sarebbe opportuno soffermarsi su questa lettera e far capire ai bambini la sua funzione fonetica.

L'alfabetiere si presta a molteplici usi particolarmente se adoperato come sussidio per l'insegnamento globale della lettura e della scrittura. Inoltre, l'insegnante può adoperarlo per vari esercizi-gioco, per insegnare nuovi vocaboli, per dar modo ai bambini di costruire il loro dizionario personale, e per numerose altre attività di lingua.
